COTTON TWINE

100% COTTON OR COTTON-POLYESTER BLEND

Our Cotton Twine is absolutely the finest made – anywhere. Whether 100% cotton or cotton-polyester, it handles well and knots readily. Our primary stock is white, but colors are available.

A vast array of plies and strengths are put-up in balls and cones. The cones are ideal for tying machine applications. Our consistently uniform construction can be depended upon to routinely resist binding.

We support many industries with our Cotton Twine: binderies and book manufacturers, the butcher's trade, cabling manufacturers, general sewing, laundry/linen services, mailing/fulfillment houses, and printers.

NOMINAL CARTON SIZE	PUT-UP	CARTON DIMENSIONS (L x W x H)	UNITS / CARTON	CARTONS / PALLET
