

SISAL TWINE

THE DEPENDABLE & DURABLE STANDARD

Our Sisal Twine is made of the finest natural sisal fibers from Brazil. It has effective resistance to UV rays, and holds a knot well with only moderate stretch.

Naturally strong – but only at a performance level approximating 80% of manila. And, like manila, sisal needs to be stored dry to avoid mildew issues. Chemical exposure may cause deterioration.

Sisal twine is great for light-load bundling and tie-downs.

PLY	STYLE	SHIPPING DIMENSIONS (L x W x H)	SHIPPING WEIGHT	UNITS / PALLET
10 TUBE BALES – PLAIN SISAL				
1	#300	44" x 18" x 7"	95 LBS	10
