PALLET & MOVER BANDS

PALLET BANDS

TRUSTED HIGHEST QUALITY

Our Pallet Bands are used primarily in warehousing to supplement or replace plastic stretch film.

These bands perform well in all conditions, including freezer/refrigeration applications.
They are constructed of the highest natural rubber-content material available;
and, are ribbed, grip strongly, and have excellent elongation.

Each band is a hefty 3/4" wide and 1/16" thick. The circumferences approximate twice the noted flat lengths. We offer three sizes that adequately address the most popular pallet sizes.

Our bands are packaged 50 bands per poly bag; and, 4 such poly bags in each carton. If need be, we do have the ability to custom manufacture additional sizes. Please inquire.
