

MANILA ROPE

NATURAL 3-STRAND. THE TRADITIONAL CLASSIC!

This natural fiber rope is made from the finest Philippine Abaca available; and, is environmentally friendly and biodegradable. Manila is the strongest natural fiber rope, and has high abrasion resistance and low stretch.

Meets and exceeds US Federal minimum tensile strength specifications. Grips firmly and provides good knot holding ability. Good resistance to internal and external wear.

Manila has many uses in industrial, marine, construction, and roofing industries. Also excellent as a general purpose rope for home and farm, gymnasium exercise, and ornamental applications.

Available stock with diameters of 1/2" and up may necessarily have a blue tracer. Please inquire.
