ANCHOR LINE --- NYLON EXTRA INTEGRATED STAINLESS STEEL THIMBLE

Our Nylon Extra Anchor Line is the perfect anchor and mooring rope for the commercial and recreational boater. The rugged stainless steel thimble is already installed and ready to go.

The nylon extra rope, itself, is reinforced with polyester yarns for increased abrasion and UV resistance. It is additionally resistant against rot and mildew; and, has excellent wet/dry strength retention.

It is easy to splice, will remain flexible, and handles well.
